Rotary Club honors Glenbard students' significant achievements

The Glen Ellyn Rotary Club has presented several Glenbard high school students with its Significant Achievement Recognition for demonstrating continuing accomplishments far beyond those of others their age.

The criteria for recognition include demonstrating outstanding effort in achieving personal goals and/or meeting school and personal challenges; demonstrating significant leadership, assistance to others in school or their community and/or showing outstanding courage, resourcefulness, selflessness or providing outstanding efforts helping others reach their goals; and contributing significantly of their time to the community or other volunteer services.

On May 5 the Rotary Club honored Glenbard South High School students Diana Cueva, Jerine Kuttikattil, Jenna Markowski, Megan Marshall and Julie Wallin and Glenbard West High School students Kostanca Dhima, Sarah Gabler, Glynnis Hokenson, Janis Lee and Allison Wika.
